Development support

Are you a young and aspiring filmmaker with an exciting film project? You still lack financial resources, some side opinions and general support to start?

The Filmwerkstatt Münster offers to young filmmakers from Münster and the surrounding area the opportunity to receive the development funding of up to **1,500.00 €** for the year 2023.

It does not matter whether the film is a documentary or feature – short or long.
The funds may be used for research, script development, test shootings or making a trailer.

What you must do:

Apply following documents by **15th of February 2023** via email only at **projektpool@filmwerkstatt-muenster.de**:

- A letter of motivation (max. 1 A4 page)
- CV with your filmography
- Description of your film project
- An outlay, which covers how much (max. 1,500 €) and what you want to spend the funding for.

The projects must be thematically based in Münster or Münsterland area. Your age as a young filmmaker does not matter.

The research/project development should be done by September 2023. The resulted films are to be presented and discussed later in a workshop-discussion at Filmfestival Münster.

The Filmwerkstatt Münster also aims to provide intensive technical and consulting support for the future projects not only during research period, but also in the event of a subsequent production.

We are looking forward to your application.

application until **15.2.2023**
